## Join the Mendocino County Fire Safe Council!

### Concerned about wildfires?

Join your Fire Safe Council and help us prepare our beautiful county for the wildfires that are sure to happen — again!

The Mendocino County Fire Safe Council is an independent, nonprofit partnership of residents, ranches, road associations, and other groups working in common-sense ways to spare lives, homes, and natural resources from injury or damage by wildfires.

We are a “membership” organization, and members’ dues are a vital part of our income. Because we are a 501(c)(3) corporation, all your contributions are tax-deductible!

### The Council’s activities include:

- Helping start local Fire Safe Councils in rural areas – does your area need one?
- Creating educational materials, such as “Living with Wildfire in Mendocino County”
- Obtaining federal funding for projects to reduce wildfire risks – \$689,000 to date!  
*If you need help clearing your property or road, contact us!!*
- Promoting reflective road and address signs
- Supporting local volunteer fire districts
- Serving as an information clearinghouse
- Coming soon: introducing the national Firewise Communities Recognition Program to Mendocino County!
